

# THE EVENT IAS-19

The 19th International Conference on Intelligent Autonomous Systems (IAS) will take place in Genoa, Italy, from June 30 to July 4, 2025. Since 1985, IAS conferences have been a landmark event for the field of intelligent and autonomous robotics, providing a unique opportunity to share research, ideas and discussions on the impact and potential of autonomous and intelligent systems.

This year's theme, "Ethical, Responsible, and Inclusive Robotics," expresses the conference's commitment to a development of robotics based on ethical and inclusive principles to contribute to a more equitable future.

IAS 19 will bring together leading researchers, practitioners and companies to explore the latest innovations in robotics, artificial intelligence, machine learning and cognitive systems, providing a platform to discuss new challenges and emerging opportunities.

We invite researchers and practitioners in the field to participate and present their work, helping to make this edition a memorable event full of innovation and collaboration.

# LOCATION MAGAZZINI DEL COTONE

IAS19 will be held in Genoa at the Magazzini del Cotone.

The Magazzini del Cotone were actually born as general warehouses at the end of the nineteenth century, precisely to overcome the lack of structures to store goods waiting to be shipped. Renovated in 1992, they have been used as a venue for various cultural and recreational activities, including the Congress Center which hosts the IAS 19.
